**FORMER STUDENTS**

A former student is defined as (1) one who has not registered at Memphis State University during the Summer Semester, 1965, and/or (2) one who has attended another college since he last attended Memphis State. Such a student, in order to qualify for re-admission, must clear the following requirements with the Records Office (Room 218, Administration Building) not later than August 10, 1965.

1. Complete the application form for re-admission provided by the Records Office.
2. Request the registrar of each college attended, if any, to mail a transcript of credits to the Records Office.

After the new applicant or the former student has completed the procedures outlined above, he will be notified of his status by the Records Office; if he is accepted, he will be issued a card of admission. **THIS CARD MUST BE PRESENTED AT THE REGISTRAR'S OFFICE AT THE TIME REGISTRATION PACKETS ARE OBTAINED.** Failure to comply with admission or re-admission procedures will delay your procurement of registration materials.

### CURRENT STUDENTS

Students enrolled at Memphis State University during the Summer Semester, 1965, will have registration materials prepared for them only if they notify the Records Office—Room 218. If the Records Office is notified not later than August 10, 1965, registration materials will be available August 17-18 and September 9-10.

### Graduate School Regulations

1. Sixteen semester hours shall be maximum load for students devoting full time to graduate study. Only full-time students may register for more than twelve semester hours of course work in any one semester, including courses on campus, extension courses, and courses to be transferred from other institutions. Students who have full-time positions may not enroll for more than two courses.
2. After a graduate student has completed his registration, it cannot be changed without approval of the Dean of the Graduate School. The adjustment will originate in the office of the Dean, and the change-of-course must have the approval of the student's adviser and the Dean.
 

ADDING:	—No course may be added after October 1.
DROPPING:	—No course may be dropped after October 15.
WITHDRAWAL:	—No student may withdraw after January 14.
3. Failure to give official notice of complete withdrawal from Graduate School in writing will result in a grade "F" in each course for which the student was registered. Address your notice of withdrawal to the Dean of the Graduate School.
4. To become a candidate for a degree, the student must file an application on blanks available at the Office of the Dean. The application must contain plans for a complete program of graduate study and be approved by a faculty adviser in both the major and minor areas. Unless "Intent to Graduate" cards are on file by October 22, one cannot be assured of diploma on January 29, 1966.
5. A student must have an overall B average in graduate courses at the beginning of the semester in order to be placed on the list for graduation in that semester.
6. If a student withdraws from the University within seven days after the beginning of classes for the semester, a refund will be made of 80% of fees; each week thereafter, the amount will be reduced 20%.
